PROFESSIONAL EXPERIENCE (CONTINUED)

Milwaukee Urban Gardens, Milwaukee, WI

June 2002 – January 2005

Executive Director

- Diversified funding base from single major individual donor to include: special events, direct mail, membership, corporate and foundation donors and increased board giving from 20 to 100 percent.
- Grew annual budget by 31 percent. Partnered with City of Milwaukee Department of City Development to raise an additional \$125,000 to clean-up contaminated lot for use as a community garden and farmer's market.
- Developed strategic plan which led to hiring part-time project manager and built first community gardens on two donated vacant parcels by establishing partnerships with community organizations, civic groups and neighborhood residents.
- Created "Green Guerrillas," a neighborhood beautification program in five targeted neighborhoods engaging 100 new volunteers.
- Established a bilingual website and newsletter using in-kind labor and resources.
- Co-founded the Milwaukee Environmental Consortium, a collective of seven environmentally focused nonprofits who co-locate to gain efficiencies of scale, foster collaboration and leadership, and raise community awareness of environmental issues.

Trailnet, Inc., St. Louis, MO

May 1997 – May 1999

MetroBIKE Program Co-Manager

- Secured \$507,000 Congestion Mitigation Air Quality grant for three-year multi-media "Share the Road" campaign.
- Developed bicycle facilities map for City of St. Louis; assisted with creation of pedestrian facilities map.
- Coordinated bike commute to work program; documented and expanded constituent base.

Homeless Services Operations and Nonprofit Management

January 1986 – January 1996

Chicago, IL

- Annually recruited and referred 2,000+ volunteers and 1,500 in-kind contributions valued at \$200,000 to 100 shelters citywide.
- Produced quarterly regional newsletter with a regional circulation of 5,000.
- Conducted nonprofit management workshops and provided technical assistance to homeless services staff.
- Managed nightly operations of emergency overnight shelter.
